**ORDER SETTING DISCOVERY DEADLINES
AND ADOPTING JOINT STATUS REPORT**

This case came before me for a scheduling conference. This subfile action is hereby assigned to a standard case-management track. Additionally, the Joint Status Report filed by the parties is adopted as an order of the Court, except to the extent that it conflicts with the following case-management provisions.

The scope of discovery will be limited to those factual matters associated with establishing the quantity and priority for Defendants’ contested water rights based on prior beneficial use. Initial disclosures pursuant to Federal Rule of Civil Procedure 26(a)(1) are due **May 15, 2014**. Defendants’ written report from Edward J. Bawolek pursuant to Rule 26(a)(2) is due **May 15, 2014**, and Plaintiffs’ written report from Scott Turnbull pursuant to Rule 26(a)(2) is due forty-five (45) days from the date Defendants provide their expert report from Dr. Bawolek.

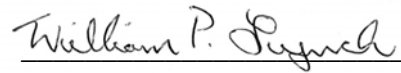

A maximum of **twenty-five (25) interrogatories, thirty-five (35) requests for admission, and twenty-five (25) requests for production** are allowed by each party to any other party.

The termination date for discovery is **October 14, 2014**, and discovery shall not be reopened, except by an order of the Court upon a showing of good cause. This deadline shall be construed to require that discovery be completed on or before the above date. Service of interrogatories or requests for production shall be considered timely only if the responses are due prior to the deadline. A notice to take deposition shall be considered timely only if the deposition takes place prior to the deadline. The pendency of dispositive motions shall not stay discovery.

Defendants shall file and serve any motion for summary judgment by **November 13, 2014**. Plaintiffs shall file and serve a combined brief featuring any response to Defendants' summary judgment motion and any cross-motion for summary judgment by **December 15, 2014**. Defendants shall file a combined brief featuring their reply as to their summary judgment motion and any response to Plaintiffs' cross-motion for summary judgment by **December 30, 2014**. Plaintiffs shall file a final reply as to their cross-motion for summary judgment by **January 14, 2015**. Any pretrial motions filed after the above dates shall be considered untimely in the discretion of the Court.

If documents are attached as exhibits to motions, affidavits, or briefs, those parts of the exhibits that counsel want to bring to the attention of the Court must be highlighted in accordance with D.N.M.LR-Civ. 10.6.

IT IS SO ORDERED.
