ADJUDICATION

ADMINISTRATIVE ORDER GOVERNING FORM OF ORDERS

THIS MATTER comes before the Court *sua sponte*. The Administrative Order Establishing Motion Practice and Procedure entered March 27, 2003 (No. 191) adopts replacement rules and procedures governing motion practice in these proceedings. Rule 7.4(d) requires that unopposed motions be filed with a proposed order granting the motion. The Court finds that submitting a proposed order in electronic form on computer disk as well as in hard copy facilitates the effective and efficient conduct of this adjudication.

IT IS ORDERED, THEREFORE, that effective upon filing of this Order, parties in the above-captioned case shall submit all proposed orders in electronic form as well as by hard copy.
