STATE OF NEW MEXICO, ex rel.  
State Engineer, A & R Productions,  
et al.,

ZUNI RIVER ADJUDICATION

Defendants.

UNOPPOSED MOTION FOR EXTENSION OF TIME

Yates Petroleum Corporation, John A. Yates, and Trust Q  
Under the Last Will and Testament of Peggy A. Yates, Deceased,  
move for an extension of time in which to file water right claims  
with the State Engineer herein. As grounds they would show the  
Court that the Special Master previously ordered that claims be  
filed by December 31, 2003, then extended that time to March 31,  
2004. In the interim the State Engineer adopted new forms for  
the declaration of livestock water dams of which counsel was  
unaware until March 30, 2004, since those forms were neither  
circulated nor posted on the State's website. Counsel requires an  
additional ten (10) days in which to file the Movants' remaining  
claims. Counsel for the State Engineer does not oppose the  
granting of this motion, nor does counsel for the United States.

WHEREFORE, Movants request that they have an additional ten  
days in which to file their remaining water right claims herein.
