I (We) object to the description of the water right(s) described by the proposed Consent Order for Subfile Number ZRB-1-0017 because:

(explain) Defendant objects to Plaintiff's consent offer for a NMSA 1978, §72-12-1 well for any amount of water less than three acre feet per year, based upon the existence of a property or vested right for three acre feet per year as provided by statute and the rules and regulations of the State Engineer, and/or a property or vested right in a permit allowing the diversion of up to three acre feet per year. The defendant has used or intends to use up to three acre feet per year for the irrigation of not more than one acre of noncommercial trees, lawn or garden; in household or other domestic uses and/or for livestock purposes.

I (We) made a good faith effort to resolve my disagreement with the Consent Order proposed by the United States and the State by:
