PROCEDURAL AND SCHEDULING ORDER FOR THE ADJUDICATION OF WATER RIGHTS CLAIMS IN THE RAMAH SUB AREA OF THE ZUNI RIVER STREAM SYSTEM

This Order amends and supercedes the June 4, 2003 *Interim Procedural Order* (Doc. No. 208), and is entered by the Special Master pursuant to Fed.R.Civ.P. 16(b) to guide the course of the adjudication of water rights claims for surface and groundwater use in the Ramah Sub-Area of the Zuni River stream system.

A status and scheduling conference concerning the Ramah Sub-Area was held on September 21, 2006. Having considered the comments and suggestions of all interested counsel and *pro se* parties, and being fully advised in the premises, it is hereby ordered that the following will govern the course of the adjudication.

I. RAMAH SUB-AREA

This Order governs the adjudication of the Ramah Sub-Area of the Zuni River stream system, as defined by the Special Master's July 21, 2006 Order Granting Motion to Establish Ramah Sub-Area (No. 766), and which consists of Sections 2, 3, 4 and 9 in Township 10N, Range 16W, and Sections 34 and 45 in Township 11N, Range 16W, plus any portion of the Ramah Reservoir outside those sections.

II. JOINDER OF CLAIMANTS-HYDROGRAPHIC SURVEY REPORT

A. No later than seventy-five (75) days following the entry of this Order, the United States shall generate Consent Orders for Claimants identified by the hydrographic survey report for the Ramah Sub-Area, and forward those Consent Orders to the State of New Mexico ("State") for review. Within thirty (30) days of its receipt of a Consent Order from the United States, the State shall either indicate its approval by executing the Consent Order and returning it to the United States, or notify the United States of its objections to the Consent Order.

B. All Consent Orders will be joint Consent Orders. If the State does not approve a Consent Order, that Consent Order shall not be served on the Claimant.

C. Service on known claimants in the Ramah Sub-Area shall be accomplished by the United States. Claimants not already joined as defendants may be sent a packet by certified mail that includes: (1) the August 2003 *Amended Complaint*; (2) a Request for Waiver of Service of Summons; (3) two copies of a Waiver of Service of Summons; (4) a copy of the Special Master's September 27, 2006 *Notice of Water Rights Adjudication*; (5) a proposed Consent Order, signed on behalf of the United States and the State, including a detailed map or

PROCEDURAL AND SCHEDULING ORDER FOR THE RAMAH SUB-AREA, PAGE 3

aerial photograph showing the location of water uses described; and (6) a Request for Consultation Form. If no Waiver of Service is returned to the United States within 30 days, the Claimant shall be served, by any means permitted by Fed. R.Civ.P. 4, with the Summons and another copy of the August 2003 *Amended Complaint*. Claimants already joined to the suit shall be sent a packet by certified mail that includes (1) the *Notice of Water Rights Adjudication*, (2) the proposed Consent Order executed by the United States and the State, and (3) a Request for Consultation form.

D. Service on known Claimants whose whereabouts are unknown, and unidentified and unknown Claimants in all Sub-Areas shall be made by publication by the United States after the last hydrographic survey report for the Zuni River stream system has been completed and filed with the Court. The publication shall include a copy of the *Notice of Water Rights Adjudication*.

E. Mailing of a service packet by the United States to a Claimant shall be done within 60 days after the Consent Order has been executed and returned by the State.

F. The *Notice of Water Rights Adjudication* generated by the Court explains the adjudication process, and the Claimant's rights and obligations under this Order. In order to conserve funds and resources, the Notice of Adjudication mailed to Claimants may be printed double sided, single spaced, with reduced margins.

G. A Request for Consultation form shall be provided so that Claimants may request in writing a consultation with the United States and the State in the event they disagree

PROCEDURAL AND SCHEDULING ORDER FOR THE RAMAH SUB-AREA, PAGE 4

with any element of the proposed Consent Order, pursuant to paragraph III.B.1 of this Order.

The Request for Consultation shall identify the Claimant, the subfile, and the nature of the dispute.

H. The proposed Consent Order(s) shall set out all the elements of the respective water right, unless that water right is an irrigation right. In the case of irrigation rights, the proposed Consent Order(s) shall set out all the elements of the respective water right with the exception of duty of water. Duty of water issues will be presented at a later time.

III. RESPONSES

A. Agreement

1. Claimants who agree with all of the elements of the water rights claims as set out in the Consent Order proposed for the Claimant(s)'s subfile shall sign and return the Consent Order to the United States. The United States shall submit the signed orders to the Court for approval and filing, and shall forward a copy of the filed order to the Claimant(s) and to the State within thirty (30) days of the Court's approval.

2. A signed and returned Consent Order serves as the Claimant's Answer to the Complaint. As between the United States, the State and the Claimant, the Consent Order finally adjudicates the water rights elements contained therein. Each Consent Order is subject to challenge by other Claimants during the *inter se* proceedings, which will be scheduled following the completion of subfile activity.

B. Consultation

PROCEDURAL AND SCHEDULING ORDER FOR THE RAMAH SUB-AREA, PAGE 5

1. **NO LATER THAN SIXTY (60) DAYS AFTER DELIVERY OF A SERVICE PACKET PURSUANT TO PARAGRAPH II.C.**, Claimants who disagree with any element of the proposed Consent Order shall return to the United States their Request for Consultation, as described in paragraph II.G. Good faith participation in consultation with the United States and the State is required to satisfy the discovery requirements of Rule 26(a)(1)(A) and (B) of the Federal Rules of Civil Procedure, and must be accomplished before the dispute can be placed before the Court. Accordingly, Claimants are required to consult with the United States and the State, and are expected to make available documents or other information that support their position. To the extent possible, the United States shall have available at consultations the data upon which the consent order is based. Information that cannot be provided to a Claimant at consultations shall be disclosed to the Claimant and made available for examination at the Hard Copy Repository maintained by the United States at the University of New Mexico's Zollinger Library in Gallup, New Mexico. If the disagreement can be resolved at the consultation, the Claimant(s) shall sign either the original Consent Order or a new Consent Order that incorporates any changes agreed upon. The United States shall submit the signed orders to the Court for approval and filing, and shall forward a copy of the filed order to the Claimant(s) and to the State within thirty (30) days of the Court=s approval.

2. Timely return of a Request for Consultation shall toll the Claimants= obligation to serve a subfile answer pursuant to Fed.R.Civ.P. 12(a) until 20 days after the United States, with concurrence of the State, serves the Claimant with a Notice That the Consultation

PROCEDURAL AND SCHEDULING ORDER FOR THE RAMAH SUB-AREA, PAGE 6

Period Has Ended, together with a form subfile answer. The notice, and the form answer, shall state, in bold-face type, that the Claimant(s) must, within twenty (20) days of the date of service of the notice, either sign and accept the last offered Consent Order for the subfile and return the entire Consent Order to counsel for the United States, or file with the Court and serve on counsel for the United States and the State, a subfile answer.

3. A subfile answer disagreeing with the proposed Consent Order must identify the subfile, explain the Claimant's reason for disagreeing with the proposed Consent Order, and include a statement that the Claimant has made a good faith effort to consult with and resolve the disagreement with the United States and the State.

4. Service by the United States or the State of a Notice That The Consultation Period Has Ended, or by a Claimant of a subfile answer, shall not preclude the parties from subsequently submitting a negotiated agreed Consent Order to the Court.

C. Failure to Respond

1. **A Claimant's failure to make a request for consultation within sixty (60) days after delivery of the service packet required by Paragraph II.C., shall be considered grounds for entry of a default order that incorporates the proposed Consent Order, in accordance with the criteria set forth in paragraph III.C.3 of this Order.**

2. **A Claimant's failure to sign and return the last-offered Consent Order or file and serve a subfile answer within twenty (20) days of service of the Notice That the Consultation Period Has Ended shall be considered grounds for the entry of a**

PROCEDURAL AND SCHEDULING ORDER FOR THE RAMAH SUB-AREA, PAGE 7
default order which incorporates the terms jointly proposed by the United States and the State.

3. The United States shall request the Clerk of the Court, under Rule 55(a), to enter the default of Claimants who have failed to make a request for consultation within sixty (60) days after delivery of the initial service packet or to sign and return a Consent Order or file and serve a subfile answer within twenty (20) days of service of a Notice That The Consultation Period Has Ended. Provided, (1) no default shall be entered against any Claimant who has not been properly served with process or waived such service; (2) no default shall be entered until a Claimant has had at least thirty (30) days to review a proposed Consent Order or revised proposed Consent Order sent by the United States; and (3) no default shall be entered if the United States, the State and the Claimant jointly move the Court to extend the deadline for filing an Answer.

IV. CHANGE OF ADDRESS OR OWNERSHIP

All Claimants, whether or not they are represented by counsel, are responsible for informing the United States of any changes in their mailing address or changes in ownership of water rights or real property associated with the rights by filling out the Change of Address or Ownership Form (attached to the *Notice of Water Rights Adjudication* as Form A) and forwarding it to Attn: Zuni Adjudication, U.S. Department of Justice, 1961 Stout Street- 8th Floor, Denver, Colorado, 80294 within thirty (30) days of such a change.

V. ISSUES OF GENERAL APPLICABILITY

PROCEDURAL AND SCHEDULING ORDER FOR THE RAMAH SUB-AREA, PAGE 8

On _____, the Special Master shall hold a status conference to hear whether any issues of general applicability may be raised with regard to claims in the Ramah Sub-Area, and whether the resolution of those issues will require litigation.

IT IS SO ORDERED.

SPECIAL MASTER VICKIE L. GABIN

*ATTENTION: The Court has been experiencing issues regarding the distribution of NEF e-mails during the first couple days of operation. The issues have been resolved and court will be resending all notices that were impacted. For those that have not correctly setup their accounts the court will be printing and mailing, via USPS, copies of the document(s) and the NEF. When filing a document, it is still the responsibility of the filer to serve any persons listed in the section of the NEF labeled (_Notice has been delivered by other means to:_).

*IMPORTANT: To receive NEFs in all of your cases, you will need to properly enter contact information into your account and update all of your cases. This includes your address, phone and fax numbers as well as your e-mail address.

*First, go to the Utilities Menu and Select Maintain Your E-mail. Enter the appropriate e-mail address(es) and press submit. Please ensure that the e-mail addresses you enter are spelled correctly.

*Next, go to the Utilities menu and click on the Maintain Your Address link. Fill in or correct your information and press submit. The system will ask if you wish to update the information in your cases. Select Update All and continue. This will update the contact and e-mail information for all of your cases, ensuring that you receive NEFs for activity in your cases.

*If you have questions, or need help, please contact our Helpdesk at 505-348-2075 or 1-866-620-6383.
