NOTICE OF FILING PAPER MATERIALS WITH THE CLERK

The United States of America (“United States”) is filing the *Zuni River Basin Adjudication Hydrographic Survey Report: Sub-area Ramah* (“HSR”), prepared by Natural Resources Consulting Engineers, Inc. under contract to the United States, in paper form with the Clerk’s Office for the District of New Mexico. The document will remain in the Clerk’s custody until appropriate disposition pursuant to the Local Rules of the District of New Mexico.

Additional printed copies of the HSR will be provided to the pleading repository for this case at the University of New Mexico’s Zollinger Library in Gallup, New Mexico; and to the Office of the State Engineer, Litigation and Adjudication Program, in Santa Fe, New Mexico. In addition, within fifteen days, the HSR will be accessible through the Internet World Wide Web site maintained for this case at <http://www.zunibasin.com>. Any party to this case may

obtain a copy of the HSR on CD-ROM by sending a written request to the undersigned counsel for the United States enclosing a blank CD-ROM recordable disk and a postage pre-paid CD-ROM mailer.

The United States is providing the HSR for Sub-area Ramah for information purposes only and reserves the rights to revise and correct the HSR based on new data concerning water uses, water features, or land ownership, and to deny that any particular water use or water feature described in the HSR is evidence of a valid water right.

Respectfully submitted this 23rd day of January, 2007.

Electronically Filed.
