Hello,

I've been trying for about an hour to electronically file our Entry of Appearance and its attachment. First, I learned that there is a file size limit on attachments. Since we have hundreds of clients who are participants of the Zuni Adjudication and wish to participate in the Zuni claims subproceedings as the group known as the Western New Mexico Water Preservation Association, we have prepared an Entry of Appearance reflecting all the names of the individuals and the name of their group, and have prepared a scanned copy of the original Notices of Intent to Participate. A copy of each is attached hereto (for verification of our preparedness for filing). Because of the file size limit, I split our attachment into 4 pieces and was again attempting to file. Then I received an error message saying that there was an error at the site and to try re-submitting and then to contact the help desk if the problem persists. Please advise.
